Priority Assistance:

Please be aware that V4 services don't offer Priority Assistance on any of our products. If you do need priority assistance as a Home User, please contact Telstra for supply of your services using the below information. Please contact V4 at 1300 843 130 or support@v4.net.au to move your services to Telstra as a Home User if you are an existing customer to V4, at no early termination costs applied by V4. Our teams will assist you if need be.

How do I apply?

If you are eligible for Priority Assist status, you can apply directly to Telstra by completing the [Priority Assist application form](#) and send it to the details found on the form.

How can I get immediate assistance?

If you need immediate assistance with a fault on your existing line, please call 13 2203.

For immediate help with a new line connection, please call Telstra on 1800 331 286.
